

Orientation Coaching. free of charge.

There were many visions. And we have already implemented them. With the activation and placement voucher (AVGS) from the Agentur für Arbeit and the Jobcenter, we offer a great perspective for the reorientation of your professional career in germany. And that completely free of charge.

Analogue. Digital. And forward-looking.
Over a period of up to 12 weeks you will be accompanied by our team and with the Coachmix we guarantee individual coaching nationwide.

What are your benefits?

- Analysis starting position strengths & weaknesses
- Coordination of personal visions, motives, alternatives
- Clarification of necessary language and digital skills
- Goal finding and goal definition (where to in the future?)
- Development of the strategy and documents
- Letter of motivation, CV/curriculum vitae, system optimization
- Photo shoot option and presentation options on the web
- Profile positioning (web, job boards, social media)
- Strengthening of digital and analog application skills
- Preparation for non-verbal, verbal, digital communication
- Appearance, presentation, self-marketing, overall impression
- Sketching of any business plans for start-up ideas and more.
